TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.
2. Closing date for this sale is Tuesday, June 2, 1998 at 8:00 P.M. (EST). **Faxes will not be accepted after 5:00 P.M. on the day of the sale. Email bids will be accepted until 7:00 P.M.**
3. Bidders who are unknown to us are requested to supply two trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.
4. A ten percent (10%) Buyer's Fee will be added to each lot won. A packing charge of fifty cents per lot (minimum \$2.00) plus shipping charges also will be added.
5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. A late charge of \$1.50 per month will be added to all invoices over 30 days. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.
6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.
7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar (\$1.00) for those persons who are not bidders.
8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within seven days after receipt of lots purchased.
9. All books are as described. Any errors or typographical mistakes will be happily corrected.
10. A Florida 7% Sales Tax will be added to all lots delivered within Florida, unless a valid resale number is on file with us.
11. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.
12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates. Bids in odd amounts will be rounded to the nearest half dollar increment.

This lot consists of three pre-publication typeset manuscripts sent to Dr. Harry Salyards (the editor of "Penny-Wise") for his comments and suggestions. There are margin notes written by Dr. Salyards on the first draft. The final draft is 290 pages and is printed on rectos only. The first two drafts are inscribed by Dave Bowers. C31. **BOWERS**, Q. David - 1996 - "American Coin Hoards and Treasure" - 168pp, unbound, 8vo. This is the typeset manuscript sent to Harry Salyards for his comments and suggestions. There are handwritten notes by Dr. Salyards on a number of the pages. Printed on rectos only. Another unique opportunity to view the work of America's most prolific numismatic author in progress. Sage; 1856-1861" - This was the original title for what became "American Numismatics Before the Civil War" - The lot contains two pre-publication typeset manuscripts sent to Dr. Harry Salyards for his comments and suggestions. These manuscripts show the evolution of the work from one of less than 200 pages, on Sage alone, to one of more than 400 pages (as finally published) on the whole spectrum of pre-1860 American numismatics. The first draft, dated June 12, 1997, contains 190 pages printed on rectos only. The second is dated October 14, 1997 and is 343 pages in length. These two draft copies give a real sense of the careful preparation that Dave Bowers puts into works. Nearly Mint . . . 160.00
